

Peaceful views • Tranquil spaces • Safe surroundings

Come home to light, greenery and tranquility. Come home to Lia at Palm Lakes on the North Coast

Lia is a development of thirteen modern, family-centred stand-alone houses on Kariba Crescent in the desirable Royal Palm Estate.

The sloping site faces an expansive green belt view which became the focal point of the design of the units – bringing in light, greenery, and tranquillity to our otherwise busy lifestyle.

Your security is our priority

The Palm Lakes Estate is protected by IPSS Electronic Security, who man the gatehouse and patrol the estate and state-of-the-art electrified perimeter fence on a 24 hour basis. IPSS is the only Ballito based security company with a full “SAIDSA” approved control center.

- 24 Hour Patrols
- Electrified Perimeter Fence
- Controlled Access With Biometrics

Palm Lakes Retirement Village

An ideal and unique family estate

Lia is situated on a 5557 sqm site in Palm Lakes. The estate is 313 ha in size and the greenbelt areas comprise 33% of the total estate.

The estate has been carefully planned to ensure that facilities and amenities are centered around family and community life. Palm Lakes promotes an active lifestyle; animal-lovers will appreciate the diverse animal species which have made Palm Lakes their home.
